

NEW SECURITY FEE

Dear Members,

This past year we significantly increased security at Aventura Chabad. We hired a private security company that provides armed security guards exclusively, with more hours and training. We are also investing in supplies and training for our team of security volunteers.

We must continue to invest in our security measures for the safety of our community. This comes with a high financial cost that the synagogue cannot carry on its own. We need your help.

As a result of the enhanced security measures, we are assessing an annual \$300 security fee per family and a \$180 security fee for individuals. Your contribution enables us to implement, maintain and augment security measures in the Synagogue.

With Hashem's help, we will continue to work to ensure that our Synagogue is safe and secure.

Thank you for your support and partnership.

With wishes for a Sweet, New Year,

Sincerely,

Jacob Serfati
